IN MUSIC... contrast is desirable

By the contrast of instrumental timbre, the contention of rhythm, and the use of opposing dynamic effects the spirit and brilliance of a musical score are revealed.

But this contrast which so enriches our musical masterpieces is the target for attack in prosthetic dentistry. Success in dental research is measured by reduced contrast in the development of denture materials to blend unobtrusively in the mouth. In this respect, LUCITONE has gone beyond hoped-for-goals.

Its soft, translucent coloring "borrows" life from the tissue it conceals. Against the natural gums it is nearly undetectable because it is indistinguishable. This "lifelike" identity is sensed by the wearer. It results in restored self-confidence.

Contributing to this feeling of confidence is the "neutral" character of LUCITONE. It is without taste and odor. It feels fresh. The mouth does not have to adapt LUCITONE through warmth or moisture. LUCITONE is at once a part of its environment.

American hands . . .
hands that think . . . with touch and feel and
skills and experience, incomparable . . .
. . . now, add integrity.

American prices are fair prices!
Pay less than American's if you like . . .
but . . . be sure that you expect less.

When you use *American* . . .

. . . when the *replacement* you ordered comes to you for "fitting" into a patient's mouth, you have a pleasant sense of pride, of confidence, of peace of mind. You know that an *American* replacement will fit *comfortably*, satisfactorily, *immediately*. It always *has*! It always *will*! No need to worry now.

The reason is that we *design* them *our* way; and we make them with incomparable intent and skills to your *precise* specifications.

Consequently, when you fit them into your patients' sensitive mouths, *they fit*

comfortably, with little or no adjustment, with no make-overs.

Your work is *completed*, fast. There's no trouble. You save **HOURS**. The patient is dismissed speedily, *satisfied* . . . for he finds that his "new teeth" are *comfortable*, *easy to keep clean*, *durable* . . . and he regains his lost poise and confidence.

We *cannot* compete with "low" prices any more than "they" can compete with *American* quality. It is the privilege of any dentist to pay less than *American's* reasonable prices. . . .

. . . but when he *pays less* . . . he *should be sure to expect less*.

Chicago Dental Society Announces Its Fifth Annual Prize Essay Competition

Author of Best Essay in This National Competition
Will Receive Cash Award of \$500.00

The Chicago Dental Society, to encourage continued scientific research in all phases of dentistry, again offers a cash prize of \$500.00 to the author of the most meritorious essay reporting an original investigation and containing new and significant material of value to dentistry.

The winner of the award will be invited to present his essay at the 81st Midwinter Meeting of the Chicago Dental Society to be held in Chicago during February 1946. Expenses of winner will be paid by the Society and will be in addition to the prize of \$500.00. If, for any reason, the Society is unable to convene its 1946 Meeting as planned, the winner of this competition will be invited to present his essay at one of the monthly meetings of the Society early next year.

Any member of the American Dental Association, or of a recognized foreign dental society, or anyone affiliated with a recognized institution in the dental field may apply for authorization to enter the competition. The contest is not limited to research men having technical staffs and elaborate equipment at their disposal, but is open to any qualified person who believes he has something new and important to contribute to dentistry. The

rules are simple and all contestants, whether students, teachers or practitioners, have an equal opportunity.

Application forms and contest rules may be obtained by writing to the Chicago Dental Society, 30 N. Michigan Avenue, Chicago 2, Illinois. All applications must be filed in the office of the Society by October 1, 1945.

PREVIOUS WINNERS

In the first contest held in 1942 the prize was given to Dr. Leroy E. Kurth for his paper on "Mandibular Movements in Mastication." In that same year a second prize was awarded Dr. Hermann M. Becks of California for his essay on Vitamin D. The following year it was decided that only one cash prize be given but that honorable mention be made of other meritorious entries. Drs. Harry H. Shapiro and Raymond C. Truex of New York City won the prize that year with their paper entitled "The Temporomandibular Joint and Auditory Function." Three essays received honorable mention. They were submitted by Dr. Joseph P. Weinmann, Chicago; Dr. J. T.

What Now?

By Frederick T. Barich

Good morning, Boss."

"What's good about it?"

"If that's the way you feel this morning, I won't tell you."
(A two hour pause.)

"Say Joe, when I came in this morning you said that you had something to tell me."

"Did I?"

"Come, come, darling, don't be so obstinate."

"Really Boss, I don't remember."

"You are the stubbornest person I have ever known."

"O yeah! Take a good look at yourself in a mirror some time, especially when you have just crawled out of bed."

"I did that very thing this day and believe it or not, I saw your ugly mug."

(Temperature 160° F.)

Silence prevailed until mid-afternoon when Joe, after perusing several back issues of "THE FORTNIGHTLY REVIEW," blurted out: "Did you ever notice the array of writers listed under Editorial Staff in the directory?

"Haven't paid much attention to it. Why?"

"That's the thing I wanted to discuss this a.m. when you were so grumpy."

"I'm all ears—shoot."

"In the first place, there are two guys who seem to do all the writing—the first and last. Then, of course, there is Abraham Lincoln Kesel, the editor. The in between writers (so listed) have been conspicuous by the presence of their absent articles. Why, I ask you, are they permitted to hold such positions of esteem (Ahem!) when they contribute absolutely nothing to this world renowned publication? Don't answer, I'll cover that point myself. There's an old adage that says something about get on or off, or words to that effect, and I think that it should apply here. Those listed from the dental schools and clinics should have enough material to make a column at least once each month. As a matter of fact, this should be mandatory. The existence of any periodical is dependent on its editorial staff. A few guys cannot and should not carry the whole load even though their shoulders are broad. There must be certain individuals in this area who are capable and willing to handle assignments. These men should be sought out by those who are responsible for the publication. Excuses should not be accepted. At best excuses are admissions of weakness and this rapidly moving world of ours has no place for weaklings. If necessary (it should be in certain instances) the men who devote their valuable time and talents to writing should receive compensation commensurate with their contributions. Why should anyone devote a lot of time in preparation and refinement of an article at his own expense and have the editor make him feel that he is doing him a tremendous favor by publishing it? If any bit of written material is worth publishing, it carries a degree of monetary value. There are rare instances where a lot is received for nothing (lend-lease, for instance) but by and large no one, not even a publication, receives much of anything for nothing (excepting dental publications, of course). Publication merely serves to accentuate its nothingness. (Joe Bicuspid is a splendid example.) But wait—we can excuse Joe because that happens to be his job. But, as I said before, there can be no excuse for the others directly or indirectly; unequivocally for them it should be—produce or else."

NEWS OF THE BRANCHES

ENGLEWOOD

August, the season of lethargy, has fallen upon us. This amiable contagion has beckoned a goodly number of our members to seek rest and diversion in the various realms affording such pleasures. . . . A. W. Gumpel and his family are enjoying a two week outing at Devil's Lake, Wisconsin. . . . B. H. Jostes has returned to his labors after a brief period at his summer home at Long Beach, Michigan. . . . Two weeks of ardent (if not par) golf has put Les Quant in top notch shape for the coming year. . . . Ray Gates still likes northern Michigan for pursuing those big ones. . . . S. Becker's resort in northern Wisconsin recently played host to a few of the local boys including H. L. Tharp, C. M. Fisher and the latter's son, who is serving as a dentist with the armed forces. . . . W. V. Hillemeyer and H. H. Hayes have regulated their weekly routine to allow for frequent visits to their summer cottages at Flint Lake, Indiana and Momence, Illinois, respectively. . . . The sights of old New York were reason enough for Richard Valentine and his family to idle away a month's vacation. . . . C. L. Milton has returned after a two week stay somewhere in far away Idaho. . . . Business and pleasure proved a good concoction for M. M. Robin who spent a week of his eastern vacation taking the Posner course in oral surgery out in the Berkshire mountains of New York. . . . T. H. Vermeulen, J. R. Thompson, and F. C. Wakerlin are all vacationing "ex comunicado," details are expected later. . . . Jim Nowlan can be found on most weekends relaxing at his summer cottage at Crown Point, Indiana. . . . A short time ago Webster Byrne took a plane trip to St. Louis and back. We won't question the priority but we do wonder if Webster's ulterior motive was to high hat the home town gang from the air while going

over. . . . We are pleased to report that E. C. Sahlstrom is back in civilian practice after being discharged from the Army. . . . Our good friend Joe Jun is back in town enjoying a thirty day furlough after serving in the European theatre under General Patton. While there Joe suffered an injury to his wrist but we understand he is o.k. now and will spend six months in limited service at Miami Beach. . . . C. A. Sinard is located on some Pacific island with the Marine Air Corps. . . . Incidentally, we would appreciate more news from our members in the Armed Forces. . . . The unusual distinction of being the youngest grandfather in Englewood goes to Louie Ahner. Congratulations Louie and we hope you keep the honor. . . . Jack Woodlock is planning to move to a new location very soon. . . . Congratulations to J. Zawadzki on his recent marriage. . . . Frank Hospers, Louis Sasso, and your correspondent were a few of the Englewoodians who participated in a day of golf and festivity on July 25 at the annual Olympia Fields Frolics. . . . We are happy to report that Ora Medsker is back on the job after a period of illness.

—R. C. Van Dam, *Branch Correspondent*.

KENWOOD-HYDE PARK

It's back to the grind again, after a two week sojourn. Preparations are being made for our 1945-46 meetings. The program committee and its chairman, Willard Johnson, promise a very interesting meeting on the first Tuesday in October. Your scribe has had his ear to the ground trying to learn what type of meeting it will be, but with no success. A committee of three, Harry Hartley, Ralph Libberton, and Louis Christopher are looking for a place to hold our Kenwood meetings. . . . Mike Levin, who has been following all the big names in golf, admits that he doesn't know anything about

it. . . . Owen Stewart has his country estate about completed. I visited his rock and rose garden which is really something out of this world. . . . Wisconsin seems to be the haven for our members: B. Z. Black is going up to that state for a vacation and Ben Herzberg and President-elect Bob Pinkerton are headed that way to spend a week also. . . . A big surprise party for Gramp Libberton was staged in Syl Cotter's beautiful new home. Among those present were: Jack Moran, J. F. Thompson, Ernie Dunn, Willard Johnson, Larry Johnson, Les Butler, Ben Herzberg, Byron Kelly, Ed Budill, Ed Reid and their wives. . . . Have news from my friend Capt. Ed Franklin, who is in Germany. He has captured some fine dental equipment which he says shows splendid workmanship. Capt. Franklin has had some very interesting and thrilling experiences while stationed in France and Germany. . . . Jim Lynch was in town for a few days. He is on his way to the Pacific for sea duty. Good sailing and good hunting Jim. . . . Called Otto Mast for some news but his assistant, Miss Bates, tells me he has left for Angola, Indiana. Orchids to Miss Bates for being elected president of the Illinois State Dental Assistants Association. . . . After thirty years of golf playing, Fred Gethro made a hole in one at Flossmoor Country Club. . . . Howard Strange is having a vacation somewhere, although his assistant would not divulge his whereabouts. . . . Syl Cotter had a toothache while he was away, and a dry socket after extraction of said culprit. When man bites dog that's news, but when a dentist gets a dry socket that's more than news. . . . Send information for next issue to Mark D. Reardon.—*Lawrence H. Johnson, Assistant Branch Correspondent.*

NORTH SIDE

I certainly enjoyed myself at the staff meeting the other night and found the points brought out very interesting and helpful. So with those pointers in mind, a cool glass of lemonade at hand, I'll set

forth some news for you. Thank you, Roy Schulz, for your assistance. . . . On July 18 O. W. Kopp of Lake Forest entertained the Phi Dent Club at the Knollwood Country Club. A fine game of golf was enjoyed by the members and their guests with sports chairman John Boodin handling the activities of the day. The first prize winner was Mr. Solheim, one of John's guests. No other than our affable, genial host won second prize. The third prize was tied between Oliver Hatcher and Emory Greer. President C. W. Forslund was unable to be present, being on vacation. All enjoyed a very delectable dinner and fun with Max Fisher as the star performer. . . . John Nelson has purchased a home at Wonder Lake, Illinois, and is spending a great deal of time there. John says he is now really beginning to live. . . . Carl Halle was up to Sturgeon Bay, Wisconsin, and really caught those bass. . . . R. M. Viel spent a very busy vacation at Traverse City, Michigan. . . . Lee Jacobi was in Wisconsin for a few days of rest and fishing. . . . Fred Scambler and family left for Eagle River, Wisconsin, to enjoy his favorite sports, fishing and golfing, and to get a good rest from heavy office duties. Alfred Erickson is spending a two weeks' vacation at Black River Falls, Wisconsin. . . . Ray Dix leaves August 1 on a fishing trip to northern Wisconsin. . . . Edwin Matson and wife spent a week at the Coneva Club at Spread Eagle, Wisconsin. . . . Harry M. and Mrs. Parsons vacationed from July 15 to August 1 at Paradise Ranch near Colorado Springs. Harry did a bit of post-graduate work in dude ranching. I am told Mrs. Parsons, an expert horsewoman, had a new riding habit for the occasion. . . . Roy and Mrs. Schulz were in New York for a few weeks. Roy took the Posner course with five other Chicago men, and reports he enjoyed the course and derived much benefit from it. Mrs. Schulz spent some time at Fire Island, New York and New Jersey. . . . Captain Brethold Schulz is expected home this month on furlough. He is with the 5th Medical Bn., and has been over-

seas three and one-half years. . . . Lt. Harold Lange, DC, USNR, is stationed at the dental dispensary, Parris Island, South Carolina, in the oral surgery department, and states that many recent graduates have been placed there. . . . Lt. Com. Ramon Wallenborn is stationed at Laguna Beach, California. . . . M. E. and Mrs. Walker visited their son who is in the Navy and stationed at Long Beach, California. He was to be shipped out, however, was delayed, and is still in the states. On the return trip they stopped in San Mateo, California, to see Walter Christiansen's son, who is a Merchant Marine cadet midshipman and has two semesters of pre dental training to his credit. The Walkers also stopped in Los Angeles and had an enjoyable visit with Ben Svoboda. . . . That's all until next time.—*Russell G. Boothe, Branch Correspondent.*

NORTH SUBURBAN

The annual golf tournament of the North Suburban branch of the Chicago Dental Society will be held Wednesday, August 22, at Techny Fields Golf Club in Northbrook. A steak or roast beef dinner and prizes to the winners for a \$5.00 fee. . . . The *Daily News* of July 20 carried a picture of Lt. Com. R. H. Brening and others, showing a display of trophies collected in Okinawa. . . . George Postels is vacationing at Summit Lake, Wisconsin, for a month and will be back about September 1. . . . Leo Tasto is visiting in Spearfish, South Dakota, and expects to do some fishing in the Black Hills. He will be back August 13. . . . John McGuire will be away all of August. . . . Jimmie Keith is going to Three Lakes, Wisconsin for three weeks vacation—August 20 to September 8. . . . Sid Freud made a hole in one on 18th, 140 yds. at Dempster Golf Course. . . . Howard Dunn is recuperating in Iowa for three weeks after attending a heavy wedding. . . . Walter Poyer says the Desplaines dentists have now put in a night shift, since that dough is all gravy. . . . Capt. Louis Smith was home for a

week, but nobody saw him. . . . Maj. John Hannon is now located at Vaughn General Hospital. . . . Lionel Seguin has been on the sick list. . . . Charles Cameron had a pretty swell wedding at his home a short while ago, but the item was printed in the North Side news instead of this column.—*Edwin W. Baumann, Assistant Branch Correspondent.*

NORTHWEST

Here we go again full of vim and vigor trying to keep in mind the salient points delivered by Editor Bob Kesel at the sumptuous gathering of the editorial staff a few weeks ago. It was good to meet our fellow correspondents and we were glad to learn that they, too, await the *REVIEW* to read each other's columns. As the session went, the malarkey in the form of mutual admiration grew extremely thick and, in each other's opinion, we were all Walter Winchells. . . . It was suggested that with the help of the members we should try to bring you more news of the men in the service. Since more than one-third of our members are serving in the Armed Forces more news about them should find its way into the branch columns. We expect better and more news from now on as John Wolfe, George Cappell, Frank Cooney, and James Blair have been appointed assistant correspondents. . . . Capt. Ed Potocki was in town recently on a short leave and took his family back to his station at Long Island. . . . Gus Tilley has fully recuperated from an ailment which necessitated a short stay at the hospital. . . . Bob Placek spent two weeks in Pullman, Michigan, acting as chief counsellor for the Y.M.C.A. boys' camp. Looking after a group of livewire youngsters resulted in Bob needing a rest on his return, but he said he really had a rollicking time. . . . M. I. Schwartz is vacationing for a few days, spending time with his son, Leon, who has just finished boot training at Great Lakes. . . . For those stay at home vacationers who need a few hours relaxation this self-appointed movie critic recommends "I'll Be Seeing You".

with Joe Cotton. Of course we may be biased as that guy is our favorite actor. . . . Time is growing short so we'll take leave for a while to do a bit of relaxing.—*Thad Olechowski, Branch Correspondent.*

WEST SIDE

There has to be a first time for everything and this is the first time I am attempting to write our column. . . . Capt. Leonard Gelfand has just been transferred to the station hospital at Sioux Falls, South Dakota. . . . Capt. Sam Libbin is stationed at Fort Sheridan since his return from the Solomon Islands. Sam was with the American Division and his outfit really did great stuff. . . . Capt. Dave Raynes spent his thirty days overseas leave here and has since reported to Camp Buckner. . . . Capt. Sid Goren is awaiting his retirement from active service. . . . Fred Porath is spending August at Waupaca, Wisconsin, fishing and admiring the vivacious bathing beauties. . . . Henry C. Lee is at Pendleton, Michigan, getting ready for the winter rigors. . . . Lou Batler is spending several weeks at Union Pier. . . . Al Sells and I took a week's cruise on the lakes. It was wonderful. . . . Mrs. Sells recently fractured her leg—all wishes for a speedy recovery. . . . George Hochman is leaving for the North Woods and expects to do his own cooking for a month.—*Arthur D. Tessler, Assistant Branch Correspondent.*

WEST SUBURBAN

Vacations hold the headlines in branch news these days. Paul Swanson and Rudolph Hinrichs went to Door County to fish and do any and everything that comes to mind. . . . Winfield Scott relaxed at Lake Geneva. . . . Florence Lilley is taking a month and may be found playing golf at Elmhurst Country Club, her score improving all the time. . . . A. W. Treybal fished in Canadian

waters. . . . Joe Voita takes his vacation every week from Friday night to Monday morning with his family at a nearby lake. . . . H. P. Westaby has just returned from Long Lake where he says he did nothing but loaf. Since he returned he met Robert Greenwood getting his car ready for a vacation trip. . . . E. L. Irish and Werner Gresens have also been away. . . . The Howard Buchners travelled no further than the Edgewater Beach Hotel, where they spent a few days beside Lake Michigan. The remainder of his vacation was spent golfing and resting. . . . News has reached us that Paul Topel, who has been at Will Rogers Field, Oklahoma, and Robert Wirth, who has been in Venice, Florida, have been transferred to San Francisco. . . . Frank Besic celebrated July 4th doubly this year, the birth of a daughter was the occasion. The next time you are driving past 225 South York Street, Elmhurst, slow down and take a look at Frank's attractive residence and office combined. He says it works out very well. . . . Ione Kral is expecting a visit from her daughter and son-in-law, George Crane, stationed in Tampa, Florida. The young couple will, of course, bring along Ione's granddaughter, Nancy. . . . Members who serve at the Shriner's Hospital Dental Clinic will be pleased to know that the cabinet is now stocked with a new set of Black's cutting instruments, the gift of the Crescent Dental Mfg. Company. A new Pelton ceiling light has been installed, and a spotlight is on order. The office is soon to be redecorated, and then it will be a real pleasure to work there. If you wish to volunteer, call me at Village 4800.—*Beulah G. Nelson, Assistant Branch Correspondent.*

LOST MOTION

(TIME)

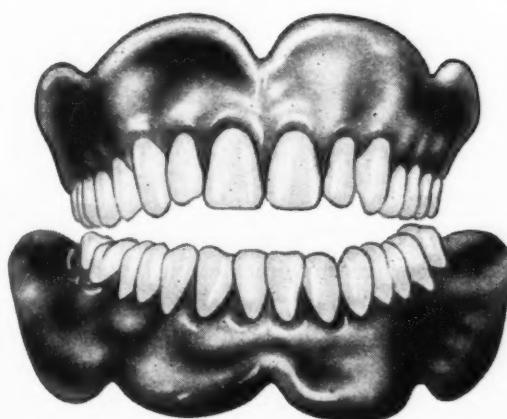

is costly to your
practice

So much lost motion exists in the average dental office that in an 8 hour day, the Dentist is fortunate to have 4 hours productive time. This is an established fact hard to believe unless you've kept accurate time records. BUT through EFFICIENT MANAGEMENT and IMPROVED PROCEDURES YOU CAN INCREASE YOUR PRODUCTIVE TIME considerably. This can be accomplished through the Bosworth Plan of Practice Management. Write today for the facts.

Doctor . . .

Are YOU losing patients, friends, profitable accounts . . .

Because individuals AND entire families come to you . . . ask for a diagnosis and a cost . . . get both . . . and leave . . .

Because they haven't the money to pay in FULL (in cash) for the dentistry you tell them they NEED!

Don't lose them. GET THEM! Keep their gratitude and their business "forever" . . .

Show them how to use the SMILES System.

YOU . . . get PAID . . . in ADVANCE.

SMILES ADVERTISEMENTS . . . like this one . . . appear regularly . . . in the Chicago TRIBUNE.

What will you do when the TOUGHER times come? They're on their roaring way; they're due here TOMORROW.

What will you do when *people*, "patients," buy ON TIME all the things they're aching to buy today? How are you going to compete with cars, radios, homes, travel, clothing . . . ?

Look ahead. *Don't* wait for tomorrow. Win their gratitude and understanding NOW. Get ready to sell your services *profitably* even tomorrow.

DO IT THIS WAY:

AFTER you have made your diagnosis . . . and know their needs . . . and have named your fee . . .

TELL YOUR PATIENTS THIS:

"You can pay for this dentistry in CASH . . . now . . .

**Dentistry HURT?
That Idea Is "old hat"!**

Don't be old-fashioned. *Your dentist* isn't. He has *modern* ways to care for your teeth . . . new and always skillful ways, gentle methods to give you the dentistry you need. He takes your hurts away . . . he doesn't *inflict* them. You needn't fear, needn't worry. Don't delay, for while you hesitate, decay may be hurting good teeth! He can give you back your smile, if you'll just go to him. Phone him, *today!*

Ask him how to get *complete* dentistry NOW and pay out of income, the SMILES way, over a year, with NO down payment, first payment in 30 days. All necessary arrangements can be made in the privacy of your dentist's own office.

Smiles, Inc.

"OR . . . if that is even *slightly* troublesome, you can *still* have all the dentistry you need, *all that your family needs*, by paying for it the SMILES way . . . by paying *out of income* . . . ON TIME . . . over a year, if you like, in *SMALL*, easy monthly payments . . . with NO down payment . . . with your first payment not due for 30 days."

That WINS and *keeps* their *gratitude* and *business*. They accept. YOU get the better, bigger, *profitable* jobs. You build for the windy years ahead.

Always, YOU get PAID in ADVANCE.
